

Charleston Junior Football League

2017 Sponsorship Program

The CJFL is asking for you or your business to become a part of our Sponsorship Program. We have completed several planned improvements to our program and complex. We would like to continue to enrich CJFL for years to come with your help and support.

Your sponsorship in 2017 will help us defray the cost of completing the purchase of helmets designed to minimize injury and will also allow for continued improvement of our equipment to ensure the safety of our youth football players in Charleston.
